Nexus Virtual Card

➤ KW Property Management is partnering with Nexus

KW Property Management and Nexus are partnering to provide you with a convenient electronic payment option, the Nexus Virtual Card, backed by Visa.

With the Nexus Virtual Card, you can say goodbye to the hassles associated with paper checks and receive the following benefits:

Reduced risk

You won't have to worry about lost or stolen checks

Accelerated payment

Receive card info via email and process instantaneously

More visibility

Track invoice and payment status online 24/7 using the NexusConnect online portal

Improved reconciliation

Complete remittance details accompany each payment

➤ One-time use card

The Nexus Virtual Card is a one-time use card. You'll receive a new card for each payment from KWPMC. To process, just use your POS system as you would with any credit card. Funds are available immediately.
