KW PROPERTY MANAGEMENT & CONSULTING

KW PROPERTY MANAGEMENT & CONSULTING

provides full-scale property management services to homeowners' associations and condominium boards.

KWPMC delivers operational precision, hospitality with a personal touch, outstanding financial reporting and accounting controls, and flexible and efficient technology solutions—all distinguished by a dedicated and

committed staff who aims to enhance the experience of every association we serve. We're privately owned with a hands-on approach that involves our founding partners

and executive team assigned and engaged with each and every property. Our well-trained team of more than 2,200 employees delivers elite service to our growing list of prestigious properties representing more than 80,000 units under management. We take great pride in building lasting relationships with associations and boards that share our commitment to excellence. KWPMC was awarded the 2021 *South Florida Business Journal's* "Business of the Year" winner and *Inc.'s* 5000 Fastest Growing Private Companies 2021, 2020 & 2019.

We Don't Just Manage, We Enhance

Top Tip—Creating a password-protected community website to share official records of the association is a great way to communicate with owners. Open communication promotes knowledge and understanding of association events. Information is power. Share it with your owners.
